<https://github.com/hashketchum208>

## SKILLS/PROGRAMING LANGUAGES

HTML/CSS - JavaScript  
- Express.js - Node.js -  
React - MySQL -  
MongoDB -  
Insomnia/TablePlus

## ABOUT ME

Although I studied Full Stack, I find backend to be the most interesting. Getting more and more proficient in React and using SQL. Looking for remote work, given my location. I am a father of 2 and enjoy spending time with my family, fishing, tubing the river, and in the winter going snowboarding.

## LANGUAGES

English
